Jan-Willem Simons

Academic Curriculum Vitae in October 2026

j.g.simons@uu.nl | ORCID | Google Scholar | Website | LinkedIn | Github

Interests

Interethnic relations; Social influence; Socialisation; Media effects; Social norms; Tolerance; Negative social relations; Systematic reviews and meta-analyses; Agent-based models; Social network analysis; Stochastic actor-oriented models; Exponential random graph models; Hidden Markov models

Education

Utrecht University, The Netherlands — Expected October 2026
PhD Candidate in Sociology
Thesis (working title): *It Depends, but on What? Social Influence, Tolerance and the Study of Interethnic Relations*
Advisors: Prof. Dr. Eva Jaspers (Utrecht University) and Prof. Dr. Frank van Tubergen (Utrecht University)

Utrecht University, The Netherlands — July 2021
M.Sc. in Methodology and Statistics for the Behavioural, Biomedical, and Social Sciences
Thesis: *On the Analysis of a Sample of Exponential Random Graph Model Estimates*
Advisor: Prof. Dr. Marijtje van Duijn (University of Groningen)

Utrecht University, The Netherlands — July 2019
B.Sc. in Sociology with a Minor in Methods and Statistics
Thesis: *Examining the Effect of Observation Sequence Variables on Hidden Markov Model Gibbs Sampler Inference*
Advisor: Dr. Emmeke Aarts (Utrecht University)
Additional Activities: Honours College Faculty of Social Sciences

Peer-Reviewed Publications

Research Visits

Autonomous University of Barcelona — Barcelona, Spain
Visiting PhD Researcher, COALESCE Lab — April – July 2023
Collaborator: Professor Miranda Lubbers

Service to the Profession

Ad-hoc Peer Review
PLOS ONE (2 reviews for 1 manuscript, 2025-2026)
Social Sciences & Humanities Open (2 reviews for 1 manuscript, 2026)

Teaching Experience

Tutorial group teaching — October 2021 – October 2024
Department of Sociology, Utrecht University
Activities: Taught a tutorial group each second semester from 2021 to 2024 for the course "Social Networks in Theory and Empirical Research".

Bachelor thesis supervision October 2022 – October 2025
Department of Sociology, Utrecht University
Activities: Supervised groups of 3–5 sociology bachelor's students in writing their thesis projects during the second semester of the academic years 2022–2025.

Skills and Proficiencies

Statistical Software
R (RStudio, Markdown, Shiny), NetLogo, Python, LaTeX, Git, M*plus*, SPSS

Language Ability
Native in Dutch, Near native in English, Beginner in French and German
